

**BOLITOGLOSSA BORBURATA**: VENEZUELA: YARACUY:  
Fila la Guerrillera, Sierra de Aroa. 600 m elev. 10 August 1995. R.  
Rivero. Museo de la Estación Biológica Rancho Grande, Maracay,  
Venezuela (EBRG 3173). Verified by Oswaldo Fuentes. First record  
for state of Yaracuy and outside of the Venezuelan Central Coastal  
Range. Previous localities were all in the states of Aragua and  
Carabobo (Brame and Wake 1963, Contrib. Sci. Nat. Hist. Mus.  
Los Angeles County 69), being at their nearest 100 km E of this  
record.
